LE DÉBIT D'IVRESSE GOULOU GOULOU

Luc Devot has lived many lives but now finds himself farming a single plot of 2 ha in Estagel, located in the hills of the Pyrenees. Luc's winery is just inland from Perpignan in the rough and rustic Roussillon. Schist soil yields grenache gris, grenache noir, and mourvèdre. His wines are aged in steel and wood.

VINTAGE: 2021
